Wetrok Brillant

Glass and surface cleaner

Recommended dosage:

Maintenance cleaning
Undiluted

Benefits:

Removes oily and greasy soiling as well as finger marks and dust.
Anti-static effect – does not attract dust.
Dries quickly without leaving streaks.
Surfaces show an anti-condensation effect after use of cleaner.

Application:

For maintenance cleaning of all types of washable surfaces (plastic, glass, stainless steel, natural and cast stone, etc.).

Please note:

Wetrok Brillant is manufactured using high-quality, deionised water (conductivity <math>< 20 \mu\text{Siemens}</math>). This ensures that the surface dries leaving absolutely no streaking.
Suitable for flat screens.

Properties:

Non-foaming
pH neutral
Lightly perfumed
Contains solvents
Blue colour

pH value of concentrate:

Important ingredients:

Surfactants, solvents, fragrance, colouring

Storage/shelf life:

Store in original container in a cool, well-ventilated place.
Protect from frost. Keep container closed when not in use.
Shelf life (unopened): 24 months.

Recommended application methods:

Damp wiping (by hand)

Spray the cleaning solution on a dry folded cloth.
Wipe the entire surface with the damp cloth.

Application for anti-condensation effect

Clean the surface with a clean cloth and cleaning solution. Then wet mop or work the cleaning solution into the surface and leave to dry.
Do not polish afterwards!
